Dear George:

In response to your letter dated 11/21/96, the following is our recommendations for Woolworth's #2671 (SIS #502312), Richmond Heights, OH:

- Store has 2 S/S PM UPMs and 1 N/S/S SLPM which are not maintained.
- Store has 2 PM counter displays which are not maintained.
- Cartons are kept in storage and only brought forward to fill pack racks.
- Store is PM Exclusive.

- Traffic in store is very limited, with large, high-volume accounts located nearby.
- Based on my Retail Rep's observations, we should not pursue a contract in this store.

If you require additional information or input please let me know.

Sincerely,

Bob Dobrowolski
